From Robert Lieberman to All Panelists:

Mindfulness, creative expression during the session- finding new ways, being our authentic selves. This is all so amazing. We're learning much about what is actually possible- necessity is the mother of invention. A therapist in a residential program I'm aware of learned of a shared love of music between father and daughter, and they use music - playing guitar and singing, to positive resilience building effect.

From jfallon to All Panelists:

Legos for the Zones of Regulation.

From Robert Lieberman to All Panelists:

Youth ERA is doing some amazing things virtually. I can send an e-mail describing if folks haven't seen that yet.

From kara.jones to All Panelists:

From another webinar a colleague engaged in, she learned that some states offer the ability for a clinician to register with the state licensing board as someone who is providing telehealth. This doesn't require a license in another state. We haven't pursued this further yet to find out which states offer.
