

Supporting Family Partners as Leaders

A World Class Brainstorming Session with BBI & ACRC

Monday, July 11, 1-5pm ♥ Louisville, KY

Family Partners! Use your voice to identify best practices and bring key issues to the table as we develop a framework for the role and scope of practice for family partner positions. Most importantly, this event is an opportunity to connect with each other and learn strategies for implementing family driven care in residential and community interventions.

Call to Action

For all Family Partners in child & family serving organizations. World Class Brainstorming Session on Monday July 11th, 1-5pm in Louisville, KY

Venue/Context
