

Supporting Family Partners as Leaders: Elevating the Conversation!

Family Partner
Preconference Session
Tuesday, May 16th
1-5pm

Family Partners Use your voice to identify best practices and bring key issues to the table as we develop a framework for the role and scope of practice for family partner positions. Most importantly, this event is an opportunity to connect with each other and learn strategies for implementing family driven care in residential and community interventions.

Come to Learn Participate in this session if you are interested in the development of peer to peer support and in family partner leadership in your organization.

World Class Brainstorming Session Held on Tuesday, May 16th, 2023 in Minneapolis, MN

Venue/Context This elevated conversation will occur the day before the start of the 67th Annual Conference of the Association of Children's Residential and Community services (ACRC). Attendees will be invited/encouraged to then bring key learnings and strategies into a workshop on hiring and integrating family partners into your organization, to be held during the conference on Thursday, May 18th.

Groundwork ACRC & BBI will provide a platform for continuing the conversation beyond this afternoon as we invite these preconference attendees to monthly roundtable conversations focused on the goals and objectives developed at this event.

Participating Family Partners are invited, in particular, to participate in the brainstorming session on Tuesday 5/16 and the subsequent workshop on Thursday 5/18. Conference registration will be of no cost to family partners. You are strongly encouraged to participate in our full conference offerings where your voice of experience and your expertise is much needed and will be greatly appreciated.
